

Find Your Audience

Why should an organisation be discoverable?

- **to create awareness about your work among the general public**
- **to be visible to funders**
- **finding volunteers/new hires**
- **information for government bodies**
- **to be an authentic source of information and contact space for everyone, like researchers, policy makers, media**
- **for some of you, it may be that you have products or services that need to be reached out to the public**
- **telling your story the way it should be told | brand building**

Who are the stakeholders?

- **organisation staff**
- **board**
- **volunteers**

- **vulnerable communities**
 - **field workers**
 - **funders**
 - **donors**
 - **govt departments/compliance**
