

# Needs Mapping

**Let us pick two of the primary stakeholders.**

**From this list that most of you have shared, two stand out: volunteers and funders/donors**

**Let's look at volunteers. What information do you think they need from a website?**

- **how to volunteer**
- **information about programmes**
- **what is the impact of the programme**
- **getting in touch for more information**

**Now let's do the same exercise with funders/donors.**

**What is the information that they need from an organisation's website?**

- **programmes**
- **impact**
- **details of the team**
