Audience

By examining the case study, it's clear that a sense of community or a safe online space is lacking. But **why is it important to bring people together, and how does it benefit them?**

- **Facilitates Communication and Networking**
- **Encourages Resource Sharing**
- **Enhances Transparency**

Who Are the Needy People?

These are the individuals who are likely in need of being brought together:

- **Students and Volunteers**
- **Grassroot NGOs**
- ~~**Tech Enthusiasts & Professionals**~~
- **Funders and Donors**
- **Vulnerable Community Members**
- **Job Seekers**
- **Community Leaders**
- **Government Representatives**
