

Module 1- Ghost Introduction

Objective: Participants will understand the purpose of Ghost as a platform for creating websites, blogs, and newsletters, and will feel ready to explore Ghost.

- **Overview of Ghost**

- Briefly introduce Ghost as a platform for creating websites, blogs, and newsletters, especially designed for storytelling. Explain that no coding knowledge is required.

- **Facilitator Note-** Show participants some examples how Aikyam Fellows and The Ignite Foundation use Ghost for storytelling.
