1. Select the workshop batch you want to join from open slots below

18-22 Nov

2. What are your thoughts on how this residency could be of help to you or your organisations work?

I am a tech enthusiast and have worked on many projects. But none of it didn't make any difference in society. I wanted to give something back to the community. Apart from that, this opportunity can help me grow as an individual, move out of my comfort zone, make friends, and socialize. Also, I love to volunteer. I have been volunteering for IEDC and IEEE through out my college

3. Organisation Details, if you are applying as NGO participant

No Response

4. If you are a student or staff representing a grassroots NGO with limited budget, do you need a travel allowance to cover your travel costs?

No Response

5. A working laptop will be required for the workshop and future online support.

Yes, I have a laptop

6. What is one thing that your friends & colleagues find valuable about you?

They value my dedication and determination. Also my skill in web development. They value my ability to make new friends, be active in communities
